'Palazzi' 2014

## TENUTA DI TRINORO 'Palazzi' 2014

'Palazzi' is an absolutely stunning 100% Merlot from Andrea Franchetti, which comes from two different vineyard sites, and spent 8 months in new French oak barrels and 11 months in cement tanks. The results are absolutely incredible as instantly opens to striking aromatics of blackberries and cassis, followed by graphite, tobacco, violets, charcoal and Asian spices, which all soar from the glass. This sophisticated Merlot impresses with its remarkable overall balance and finesse, with a full body that is structured around fine polished tannins and an absolutely gorgeous silky texture, which expands beautifully on to the long, sleek finish. Overall, Palazzi is an utterly compelling wine, which in this vintage looks to be one of the most successful wines from the entire region. (Best 2018-2028) – 96 points
